Mary-

Marvin has been out of the office this week. I expect him to be in next week and we will be able to respond to your extension request at that time. We understand that you will not be able to respond by January 27, 2014. I did speak with my supervisor about your extension request and she is also aware that you will need more time. Thank you for your attention to this matter and will be in touch with you next week. Feel free to contact me if you have any questions.

Thank you,

Lance

Subject: Special Notice Letter - Cedar Chemical Corporation Superfund Site

Marvin -

Our firm has recently been asked by our client, Solvay (formerly Rhodia Inc.), to assist it in responding to USEPA's Special Notice Letter that it received in connection with the Cedar Chemical Corporation Superfund Site, located in West Helena, Arkansas. Currently, Solvay has until January 27th to respond. While Solvay has started reviewing the Special Notice Letter, we kindly request a 60 day extension for Solvay to respond.

Thank you in advance for your time and attention. We look forward to hearing from you.

Regards,

Mary
